

# Simplify Catalog Management

Streamline your listings across all channels

# Multichannel Selling

Managing **multiple channels** creates challenges like inconsistent listings, lost sales, and time-consuming updates. Yunefy simplifies this process with a **centralized solution** for efficiency. Create, update, and sync product listings everywhere from one centralized system..

# Centralized Catalog

## MASTER PRODUCT CARD

Easily manage **all your products** in one centralized location.

## SYNC ACROSS CHANNELS

Automatically keep your listings **up to date** across various marketplaces.

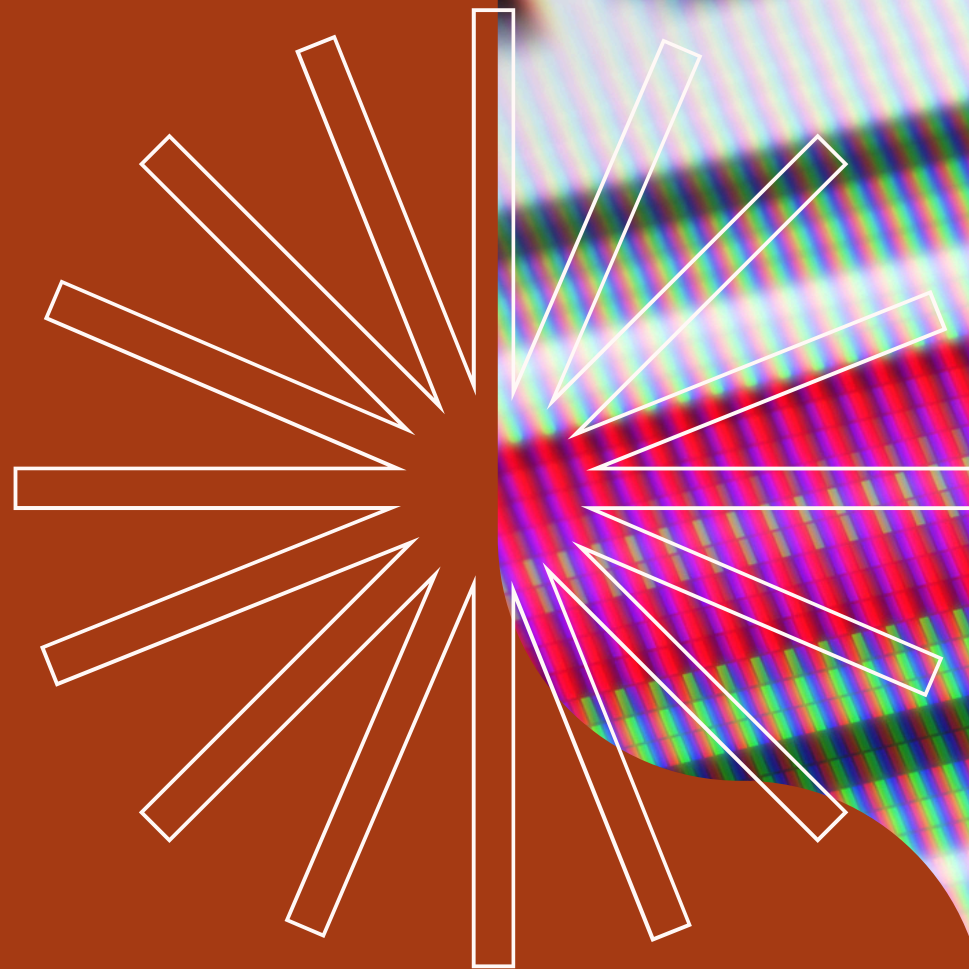

## GLOBAL REACH

Expand your business with a **single source of truth** for all product data.

# Real-Time Sync

Experience seamless **updates across channels** with Yunefy, ensuring your product listings are always accurate and up-to-date on all marketplaces. Avoid errors and ensure consistent customer experience.

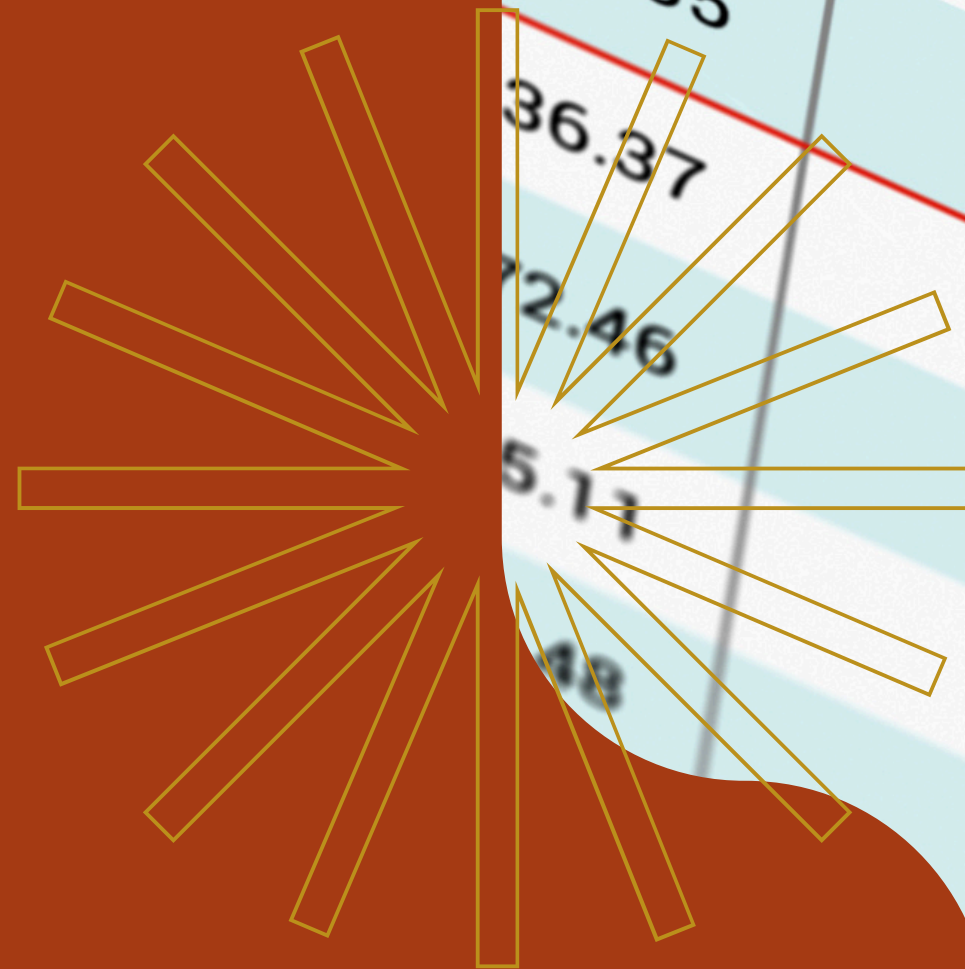

# Bulk Actions

## Launch and Update at Scale

Upload new products in bulk, map categories across platforms, and apply bulk edits to pricing, titles, or tags. Save time while increasing accuracy.

# Streamlined Listing

## CHANNEL-SPECIFIC PRODUCT ATTRIBUTES

Customize product details for each channel (e.g., title, description, specs)

## PRODUCT LISTING TEMPLATES

Use pre-defined templates to list products faster with consistent structure

## SHADOW SKUS

Assign different SKUs for the same product across multiple channels

# Yunefy Catalog Advantage

Experience **enhanced efficiency** with Yunefy, empowering sellers to manage listings seamlessly and drive better performance across multiple channels.
